- Non-flammable
- Extra heavy duty cleaning power
- Super concentrated and medium foaming

NET CONTENTS: 1 Gallon

For Professional Use Only

Disaster Restoration Products

## EXTREME DUTY CLEANER

# 3024-1

RECON Extreme Duty Cleaner is one of the most powerful cleaning products available anywhere. Formulated to handle the most extreme cleaning jobs, this high pH, caustic fortified, butyl based product provides superior ease of use in removing grease, oils, fats, carbon, wax, tar and other stubborn soils. RECON Extreme Duty Cleaner is a very high pH butyl cleaner for cleaning and removing the worst deposits in fire, smoke and water damage restoration applications.

### DIRECTIONS

Dilute with water to concentration desired for effective cleaning and degreasing as follows:

Extreme Duty Cleaning:	16 ounces per gallon of water (1:8)
Heavy Duty Cleaning:	8 ounces per gallon of water (1:16)
Medium Duty Cleaning:	4 ounces per gallon of water (1:32)
General Cleaning:	2 ounces per gallon of water (1:64)
Steam Cleaning:	4 ounces per gallon of water (1:32)

Apply with sprayer, sponge, brush or steel wool, agitate as required. Rinse thoroughly with water. Allow to dry or wipe dry on smooth surfaces.

These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used. Always test substrate in an inconspicuous area to determine if the solution will adversely affect the target material.

### PRECAUTIONS

Store in a dry place at temperatures between 40°F (4.5°C) and 90°F (32°C). This cleaner is highly aggressive caustic cleaner. Do not use this product on any surface that could be damaged by a high pH cleaner. Always test substrate in an inconspicuous area to determine if the solution will adversely affect the target material. This product is not intended for use on aluminum, magnesium, zinc or other soft metals. Will degloss painted surfaces. Do not use on glass. Protect floors and surrounding surfaces from contact. Promptly clean off any overspray or dripping from floors.

Container Disposal: Triple rinse container. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Do not contaminate water, food, feed by open dumping of contents. Spill or Leakage Procedure: Contain spill and neutralize with a mild acid. Absorb on inert substance for disposal.

### DANGER

EYE IRRITANT. MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes, and clothing. Avoid prolonged breathing of concentrated vapors. Avoid breathing of mists. Do not take internally. Harmful if swallowed. Keep out of the reach of children. For professional use only.

### FIRST AID

EYE CONTACT: Flush with water for at least 15 minutes. If irritation persists, call a physician.  
SKIN CONTACT: Wash thoroughly with water. If irritation persists, call a physician.  
INGESTION: Immediately drink large quantities of water. Do not induce vomiting. Call Poison Control Center or physician immediately.  
INHALATION: Remove to fresh air. Seek medical attention if victim is not responsive.  
IN CASE OF FIRE Use dry chemical, carbon dioxide, water spray fog or alcohol foam. Closed containers may rupture or explode when heated. Keep cool with water spray.

CONTAINS: Water (7732-18-5), Dipropylene Glycol Methyl Ether (34590-94-8), 2-butoxyethanol (111-76-2), Nonylphenol Ethoxylate (9016-45-9), Sodium Metasilicate Pentahydrate (6834-92-0), Sodium Xylene Sulfonate (1300-72-7), Tetrasodium EDTA (64-02-8), Potassium Hydroxide 1310-58-3, Dye N/A
